Item	Comments	Motion	Second	Vote
I. Call to order	Dan Caplinger called meeting to order at 6:15pm			
II. Approval of minutes A. August 8, 2019	Dan recommended notes include last names for the "in attendance" section; Include the "Motion to Adjourn" – Christina made motion, Regina second, 3-0-0 vote Change "Also present" section with community members to read, "3 Community Members including Elayne Murphy & Hilary Greene."			
Vote	Motion to approve minutes as amended. Perri abstained as not at prior meeting	Dan	Regina	3-0-1
III. Status update and review of revised architectural drawings for multipurpose building	New to Market Lease Option Status: Dan & Kim explored a new to market lease possibility for district space on Spring Street today at 12:15pm. It was on the 3 rd floor and was entirely vacant. Jamie Art was familiar with the space and confirmed earlier it was of high quality. Dan shared photographs from the space and set it was very nicely set up. Limited			

Mt. Greylock Regional School District

	<p>broadband service available. Without listing sheet guessed the space to be about 2000 – 2500 square feet. A draft lease wasn't available at time of viewing.</p> <p>We asked Kim if it would make sense as a temporary solution. Answer: We've already extended our lease on the trailer since it was already in place and needed to be extended just to stay in it this year. Broadband/connectivity is already set up at the trailer. Moving twice would be too much for the district office team.</p> <p>Discussed same issue as in past with connectivity, non-central location to both towns and long-term cost of lease vs. one time building cost.</p> <p>Multipurpose Building Update: Reviewed Updated Drawings which included: -Increased storage area (office space remains same as original, additional bathrooms still an add alternate) -Finishes were changed based on items in stock due to excess from school building project (using same paint colors as school) -Minimal drywall and new tile will be used -Updated specifications to match project -Mechanics and Plumbing specs will be provided to Rob next week Discussed Bidding & Construction Schedule: Oct 2: Central Registry/Drawings Available Oct. 8: Pre-Bid Conference? Oct. 23: Bid Deadline We will then need to have a special full school committee /joint phase 1 sub-committee meeting to review contract/accept bid and Vote to Accept & Authorize Contract November 1: Construction Start Date</p>			
--	--	--	--	--

Mt. Greylock Regional School District

	<p>Currently spec has completion date as June 1st. Discussed revising this date to allow for winter building conditions (as recommended by Perri)</p> <p>August 3rd: Construction Completion Date (Allows only a quick 3 week move time before school start)</p> <p>Perri recommended P&E reach out now to past GC bids to give them a heads up that the changed specs will be going out to bid soon. Daniel agreed to give the entire bid pool the heads up.</p> <p>It is important for the committee to understand the full bid process as we weren't involved in the new school project. If Andrea Wadsworth does contract legwork, committee needs to make she is given what she requires to get the work done. Our understanding is once a bid is accepted the contract is executed.</p>			
IV. Recommendation to full committee regarding multipurpose building				
Vote	Christina made a motion to recommend to the full committee to approve the \$28,500 revision fee and to move forward with the bid process to build and complete the multipurpose district office building as specified.	Christina	Regina	4-0-0
V. Other business not anticipated by the Chair within 48 hours of meeting	None			
VI. Adjourn	Motion to adjourn at 7:08 pm	Dan	Regina	4-0-0

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

Any singular reference to Contractor, Surety, Owner or other party shall be considered plural where applicable.

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect.
